National Deworming Day

In Government Degree College, Yerraguntla, National Deworming Day has been conducted on 10th February 2025 followed by Mop Up Day (MUD) on 17th February 2025 for the absentee students. The programme aims to promote student health and well-being. Students were informed about the importance of deworming in preventing infections and improving overall health. Local ASHA workers distributed a single dose of Albendazole 400 mg tablets to the first year students and ensured that they have taken proper medication. The initiative aimed to spread awareness about hygiene and disease prevention, contributing to a healthier campus environment. Dr. P.V.Ramana Reddy, RRC Coordinator has taken initiation to complete the programme with the coordination of Staff and participation of the students.

National Road Safety Month Awareness Programme

Government Degree College, Yerraguntla has conducted 'National Road Safety Month' with the theme "Sadak Suraksha, Jeevan Raksha." The event featured essay writing competitions on the theme for encouraging students to reflect on the road safety measures. Smt. T. Bhavani, Trainee DSP, and Sri. P. Naresh Babu, Circle Inspector of Police, Yerraguntla, has addressed the gathering, providing valuable insights of the road accident statistics and their alarming impact. They emphasized the importance of following traffic rules, wearing helmets and seatbelts, avoiding rash driving, and staying alert on the roads to prevent accidents. Their interactive session raised awareness about responsible driving and pedestrian safety. The programme witnessed the enthusiastic participation from students and staff, reinforcing the need for strict adherence to the road safety norms for saving lives. The programme created awareness and enlightened the young minds by reminding their social responsibility. The monthly overview of the programme has been monitored by Dr. C.Rammohan Reddy, NSS Coordinator and Dr. P.V.Ramana Reddy, RRC Coordinator. All the staff and students participated in this programme and made it successful.

National Women's Day Celebrations

On the eve of National Women's day, with the contributory memories of Smt. Sarojini Naidu, the Women Empowerment Cell of Government Degree College, Yerraguntla has celebrated a programme to create awareness on empowering the women students. In this programme, the Principal and the staff addressed the students by stressing the role of their effort and endeavour in building their career and for self empowerment to fulfill their aspirations. Many of the women students shared their experiences and their future aspirations and ambitions. On this occasion, Smt. T.Bhavani, DSP(Trainee), Yerraguntla has attended as the chief guest and addressed the students on the significance of the day, emphasizing women's rights and empowerment. The programme inspired students to strive for gender equality and women's empowerment in society. Dr.C.Sree Vijaya Durga, W.E.C coordinator, K.R. Bhagavathi, Subbamma, W.E.C Members monitored the programme to make it fruitful.

Swachcha Andhra Swarna Andhra Programme

Government Degree College, Yerraguntla, YSR (Dt), has conducted the 'Swachcha Andhra Swarna Andhra programme' on the 3rd Saturday of February 2025 as an initiative programme of the Government of Andhra Pradesh with the collaborative programme of the Government of India. As a part of this initiative, Principal, staff and students has taken pledge to show their dedicated involvement in this programme. In this connection, many awareness programmes are also conducted; essay writing, awareness campaign in the nearby areas etc..

Principal Dr. M. Ravi Kumar, all the students and staff actively participated in cleaning activities, ensuring a cleaner and greener campus. The initiative aimed to promote hygiene, environmental responsibility, and community awareness. The event fostered a sense of teamwork and dedication towards cleanliness. The programme successfully reinforced the importance of maintaining a clean environment for a healthier and sustainable future. The programme fulfilled the aim and resolved to continue the same to maintain the harmonious environment.

National Science Day

National Science Day was celebrated in Government Degree College, Yerraguntla with the theme of "Empowering Indian Youth for Global Leadership in Science and Innovations for Viksit Bharat." Dr. G. V. Lokeswara Reddy, Lecturer in Physics, explained the significance of the day, highlighting 'C. V. Raman's groundbreaking discovery of the Raman Effect', which earned him the Nobel Prize. Dr. P.V.Ramana Reddy , Lecturer in Chemistry emphasized the role of youth in scientific advancements. The event showcased enthusiastic participation from students and staff, inspiring scientific curiosity and innovation.
