Teachers' Day Celebrations

The Teachers' Day celebrations at Government Degree College Yerraguntla were a vibrant and memorable event, with enthusiastic participation from both students and staff. The day commenced with a warm welcome extended to the teaching faculty, acknowledging their invaluable contribution to education. The highlight of the event was a heartfelt tribute by students, sharing personal anecdotes and heartfelt messages. Faculty members were also felicitated for their dedication and commitment. The celebration fostered a strong bond between students and teachers, emphasizing the importance of education in our lives.

An Awareness Programme on World Ozone Day

Government Degree College, Yerraguntla, organized an awareness programme on the occasion of World Ozone Day to highlight the importance of protecting the ozone layer. The event featured informative talks by faculty members on the theme of environmental conservation and the role of the ozone layer in sustaining life on Earth. Students actively participated through speeches, posters, and discussions, emphasizing eco-friendly practices to reduce ozone depletion. The programme successfully created awareness among the participants about the need for collective responsibility in protecting the environment for a sustainable future.

Space Revolution Day

Government Degree College, Yerraguntla has celebrated Space Revolution Day to commemorate the birthday of Hon'ble Prime Minister Sri Narendra Modi. The event highlighted India's remarkable achievements in space technology under his visionary leadership. Faculty members delivered insightful speeches on India's growing prominence in space research and its global impact. Students actively participated in the programme. It has inspired the students to pursue scientific knowledge and contribute to the nation's progress. The event concluded with a vote of thanks and a pledge to promote scientific and technological advancement.

Sri Ramayana Shankharavam Legal Conclave

Government Degree College, Yerraguntla, organized a live stream of the Sri Ramayana Shankharavam Legal Conclave held in Andhra Pradesh, providing students an opportunity to gain insights into the intersection of moral values and legal ethics. The event highlighted the timeless teachings of the Ramayana and their relevance to contemporary legal and ethical practices. Eminent speakers emphasized the importance of integrity, righteousness, and justice in both personal and professional life. Students attentively watched the live session and participated in a discussion on how moral principles from the Ramayana can guide future lawyers and citizens in upholding justice with compassion. The programme inspired students to blend ethical conduct with academic excellence and civic responsibility. It concluded with a reflection on the need to uphold truth and fairness as the foundation of both law and society.

National Ayurveda Day

On 23 September 2025, our college marked the 10th National Ayurveda Day under the theme "National Ayurveda Day 2025: Ayurveda for People & Planet", which emphasises the role of Ayurveda not only in individual wellness but also in preserving the environment. The awareness programme included informative sessions on how Ayurvedic principles of harmony among body, mind and nature can contribute to a healthier society and a sustainable planet. Students and staff engaged in poster-making, small quiz rounds and lifestyle talks highlighting nutritious eating, daily routines and use of medicinal plants. The programme inspired everyone to adopt more holistic, preventive health practices and take responsibility for both personal health and environmental well being. The programme incorporated Ayurveda's wisdom into everyday life for the benefit of people and planet.
