Gandhi Jayanthi celebrations

Gandhi Jayanthi was celebrated with great enthusiasm at GDC Yerraguntla, YSR district. Students and staff gathered to pay heartfelt tributes to Mahatma Gandhi, highlighting his ideals of truth and non-violence. The event began with garlanding Gandhi's portrait, followed by speeches emphasizing his role in India's freedom struggle. Cultural performances and a cleanliness drive further commemorated his legacy. The celebration inspired participants to adopt Gandhian values, reinforcing the importance of unity and selfless service in daily life.

Swachhata hi seva

The Swachhata Hi Seva programme was conducted at GDC Yerraguntla under the leadership of Principal Dr. M. Ravi Kumar, from September 17 to October 2. NSS Programme Officer Dr. B. Mallikarjuna Raju, along with staff and students, actively participated in various activities. The programme included cleaning the college campus and nearby industries, taking the Swachhata pledge, and planting trees under the initiative "Ek Ped Maa Ke Naam Se." Awareness campaigns on cleanliness and sustainability were also organized. These activities aimed to instill environmental responsibility and promote the message of cleanliness and green living. The event culminated with students and staff reaffirming their commitment to Swachh Bharat, aligning with Mahatma Gandhi's vision of a clean and self-reliant India

Swarna Andhra @2047

As part of the visionary initiative "Swarna Andhra @2047 —'Your Vision, Our Mission: Let's Transform Andhra Pradesh Together,'" Government Degree College (GDC) Yerraguntla, YSR District, has organized a series of engaging and informative activities.

These events were conducted in response to the instructions issued by the Commissionerate of Collegiate Education, Andhra Pradesh, with the goal of fostering student involvement in shaping the future of the state. The activities were centered around the thematic area, "Climate-First Approach for Development," emphasizing the role of sustainability and environmental responsibility in Andhra Pradesh's developmental agenda.

The event was spearheaded by the principal, Dr. M. Ravi Kumar, and supported by the college staff, who played an integral role in organizing and overseeing the activities. The program's objectives were to promote awareness of climate change, encourage innovative thinking for sustainable development, and engage students in the broader conversation about Andhra Pradesh's future. It is here with submitting a brief report on the key activities organised for the aimed programme.

Quiz Competition

The quiz competition was one of the highlight events of the day. A QR code was displayed prominently on campus, enabling students to easily access and participate in the quiz using their mobile devices. The quiz questions were aligned with the thematic focus of a "Climate-First Approach for Development," covering a range of topics such as climate change, renewable energy, sustainable practices, and environmental conservation. This interactive format not only engaged students but also encouraged the use of digital tools for learning.

The quiz was designed to test the students' knowledge and understanding of environmental issues and their relevance to Andhra Pradesh's long-term development goals. Students eagerly participated, showcasing their knowledge of critical environmental concerns and how innovative solutions can contribute to a sustainable future for the state.

Debates and Essay Writing Competitions

In addition to the quiz, the college has organized debates and essay writing competitions. The debates provided a platform for students to present diverse viewpoints on topics related to climate change and its impact on Andhra Pradesh's development. The discussions were dynamic and thought-provoking, highlighting the students' understanding of the need for a balance between development and environmental conservation.

Swarna Andhra @2047

The essay writing competition allowed participants to articulate their vision for a sustainable Andhra Pradesh by 2047. Students demonstrated creative thinking and a deep understanding of the importance of climate resilience in ensuring a prosperous future for the state.

Certificates Distribution

At the conclusion of the activities, certificates were awarded to all the participants. The certificates, bearing the signature of the Honorable Chief Minister of Andhra Pradesh, Sri Nara Chandrababu Naidu garu, were generated digitally and distributed under the supervision of Principal Dr. M. Ravi Kumar. This added a special significance to the event, as the certificates recognized the students' efforts in contributing ideas towards the state's climate-first developmental vision.

Swarna Andhra @2047

The "Swarna Andhra @2047" initiative at GDC Yerraguntla successfully achieved its goal of engaging students in the conversation about the future of Andhra Pradesh. By focusing on a "Climate-First Approach for Development," the event fostered awareness among the students about the importance of sustainability in the state's developmental trajectory. The use of innovative methods, such as QR code-based quizzes and digital certificates signed by the Chief Minister, further highlighted the state's commitment to integrating technology and youth engagement in its future planning. This initiative marks a significant step towards building a knowledgeable and responsible youth population capable of leading Andhra Pradesh into a sustainable and prosperous future by 2047.
