National Deworming Day

National Deworming Day was programmed at Government Degree College Yerraguntla. The primary health center and medical department authorities involved in the distribution of Deworming tablets to the students. The initiative aimed to combat parasitic infections and promote health among the student population. With the support of healthcare professionals, students received the necessary medication to prevent and manage worm infestations. This proactive approach underscores the college's commitment to student welfare and public health awareness. The programme created an awareness on the significance of health and hygiene both in personal and surrounding environment of every individual.

National Women's Day Celebrations

In memory of the contribution of Smt. Sarojini Naidu, to honour her services, her birth anniversary, February 13 is observed as National Women's Day of India. In view of the occasion, the Women Empowerment Cell has conducted the programme to memorize the contribution of the great poet; 'The Nightingale of India'. She was not only a freedom fighter, but she also became the first woman governor of the United Provinces, the present Uttar Pradesh. She was elected as the President of the Indian National Congress in 1925 because of her political and educational abilities. In 1942, Gandhiji started Quit India Movement and British Government kept Sarojini Naidu in imprisonment for 21 months. So it is our responsibility to take such great personalities as our role models.

Government Degree College Yerraguntla marked National Women's Day with fervour under Principal Dr. M. Ravi Kumar's guidance. K.R. Bhagavathi, Lecturer in Commerce, WEC member delivered an impactful speech, emphasizing the pivotal role of women in societal progress. The celebration not only highlighted the achievements of women but also reinforced the college's commitment to fostering an environment where every woman can thrive and contribute meaningfully. National Women's Day at GDC Yerraguntla resonated with empowerment and unity.
