## **An awareness program on the prevention of Dengue**

An awareness program on the prevention of dengue was conducted at Government Degree College, Yerraguntla, YSR District, to educate students about the spread and mitigation of the disease. The Principal and the staff involved in this programme and explained dengue transmission, symptoms, and prevention measures. Students were encouraged to create awareness within their communities and also educate the people of their community by emphasizing the importance of eliminating mosquito breeding sites and practicing hygiene. Dr. B. Mallikarjuna Raju, NSS Coordinator and Dr. P.V. Ramana Reddy, RRC Coordinator has taken the initiative to empower students as health ambassadors to combat dengue effectively in their local areas.

## Jal Doot Campaign

As a part of implementation of Jal Shakshi Abhiyan (JSA): Catch the Rain(CTR)-2024, with the instructions of the Commissioner Collegiate Education, an awareness programme has been conducted on "Jal Doot" (Water Ambassadors) Campaign in Government Degree College, Yerraguntla to create awareness among the students about water conservation. Dr. M. Ravi Kumar, Principal has launched the Jal Doot Campaign, emphasizing the importance of water conservation and motivated the students and the faculty to participate actively in the activities of this programme. Students participated as water ambassadors, The event featured informative sessions on sustainable water use and practical demonstrations. Faculty and students collaborated to spread awareness about conserving water resources, inspiring a collective effort to address water scarcity issues in the community.
