RJD'S VISIT

Dr. Babu, the Regional Joint Director of Collegiate Education, visited our college on February 1st, 2023. During his visit, he had a productive interaction with the college administration, faculty members, and students. Dr. Babu discussed various aspects of higher education, including curriculum development, infrastructure, and student welfare. He provided valuable insights and guidance for the college's growth and commended the institution for its commitment to academic excellence. The visit concluded with a positive note of encouragement and support from Dr. Babu.

International Day for Women and girls in Science

The Women Empowerment Cell at our college organized a remarkable event to celebrate the International Day for Women and Girls in Science 2023. Led by Dr. C. Sree Vijaya Durga, the Coordinator of the cell, and supported by member K.R. Bhagavathi, the event aimed to promote gender equality in the field of science. The event featured inspiring talks by accomplished women scientists, highlighting their contributions and challenges. The Principal, Dr. M. Ravi Kumar, delivered a powerful message, emphasizing the importance of empowering women in science. The event successfully encouraged young girls to pursue scientific careers and showcased the achievements of women in the field, fostering inclusivity and promoting gender diversity in STEM disciplines.

NATIONAL WOMEN'S DAY

The Women Empowerment Cell and the Department of English jointly organized the National Women's Day celebrations in our college to commemorate the birth anniversary of Sarojini Naidu. The event featured a thought-provoking address by Dr. C. Sree Vijaya Durga, the coordinator and Lecturer in English, who highlighted the significant contributions of Sarojini Naidu in the fields of literature and women's rights. K.R. Bhagavathi, a respected member, also shared inspiring insights on women's empowerment. The event fostered a sense of pride and appreciation for women's achievements while encouraging students to actively participate in promoting gender equality in society.

OPEN DAY

As per CCE's orders, An open day event was organized at our college on February 17th, 2023, specifically aimed at intermediate students. Faculty members enthusiastically participated in the event, providing valuable insights into various academic programs and career opportunities. Interactive sessions were held, allowing students to engage in meaningful discussions and clarify their doubts. The event successfully showcased the college's infrastructure, facilities, and achievements, giving prospective students a comprehensive understanding of the college and its offerings.

NATIONAL SCIENCE DAY

National Science Day was celebrated in our college under the guidance of Principal Dr. M. Ravi Kumar. The event commenced with an address by Dr. G.V. Lokeswara Reddy, a distinguished lecturer in Physics. He emphasized the importance of scientific exploration and its impact on society. He encouraged students to pursue scientific research and innovation. The day included engaging presentations, experiments, and interactive sessions that fostered a spirit of curiosity and scientific inquiry among the attendees. It was a successful celebration that inspired students to further explore the wonders of science.
