INTERNATIONAL WOMEN'S DAY

International Women's Day, a global celebration of women's achievements and progress towards gender equality, was commemorated with great enthusiasm at our college. The event was organized by the Women Empowerment Cell, under the able guidance of Dr. C. Sree Vijaya Durga, the coordinator, and K.R. Bhagavathi, a dedicated member of the cell.

The day commenced with a vibrant gathering of students and faculty members, all eager to celebrate and empower women. The event was graced by the presence of our esteemed Principal, Dr. M. Ravi Kumar, and several other faculty members who lent their support to the cause.

To foster creativity and self-expression, the Women Empowerment Cell conducted essay writing and elocution competitions. The topics revolved around women's empowerment, gender equality, and inspiring women role models. The students exhibited exceptional talent and passion, presenting their thoughts eloquently through spoken word and written prose.

The celebrations created an inclusive environment where participants shared personal stories, highlighted challenges faced by women, and proposed solutions for a more equitable society. The event encouraged open dialogue and provided a platform for raising awareness and promoting gender sensitivity.

Principal Dr. M. Ravi Kumar addressed the gathering, emphasizing the importance of gender equality and women's empowerment in shaping a progressive society. He commended the efforts of the Women Empowerment Cell for organizing such a meaningful event and urged everyone to actively contribute to women's empowerment initiatives.

The celebrations concluded with a renewed commitment to support and uplift women in all spheres of life. The Women Empowerment Cell pledged to continue organizing events that promote gender equality and empower women within the college community and beyond.

Overall, the International Women's Day celebrations at our college served as a reminder of the importance of women's rights and provided a platform for meaningful discussions and actions towards a more inclusive and equal society.

On this day, students were provided with deworming tablets to combat intestinal parasitic infections.
